Hope, Love & Respect
A flourishing community built on faith

Thursday 5th September 2024

Dear Parents and Carers,

We are aware that some of the older pupils would like to walk home themselves or leave school on their own to meet parents/carers at a different location in the village to avoid congestion around the school gate.

As part of our safeguarding procedures, it is important that we have parental/carer consent to allow children to leave school unaccompanied so I would like parents to give consent for the new school year. If you think this is an option you would like to take, please complete the slip below and return to school so that we have a record of the consent given.

Please fill out this form again for the new academic year even if you filled one out for the previous year.

Yours faithfully,

Katie Forster
