

BREADSALL CE PRIMARY SCHOOL

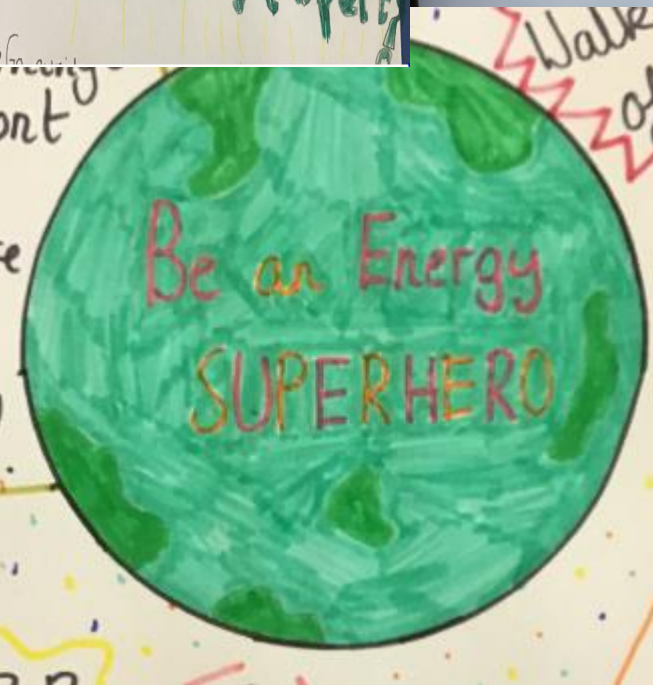

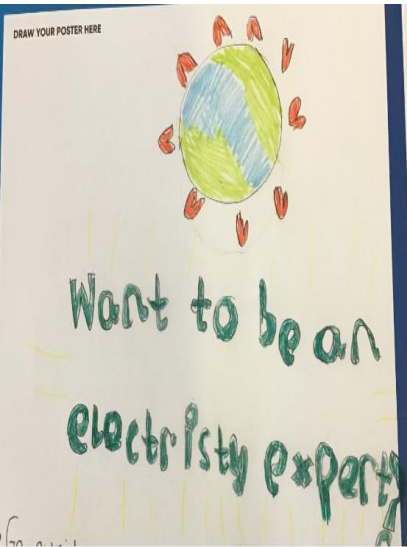

Hope, Love & Respect

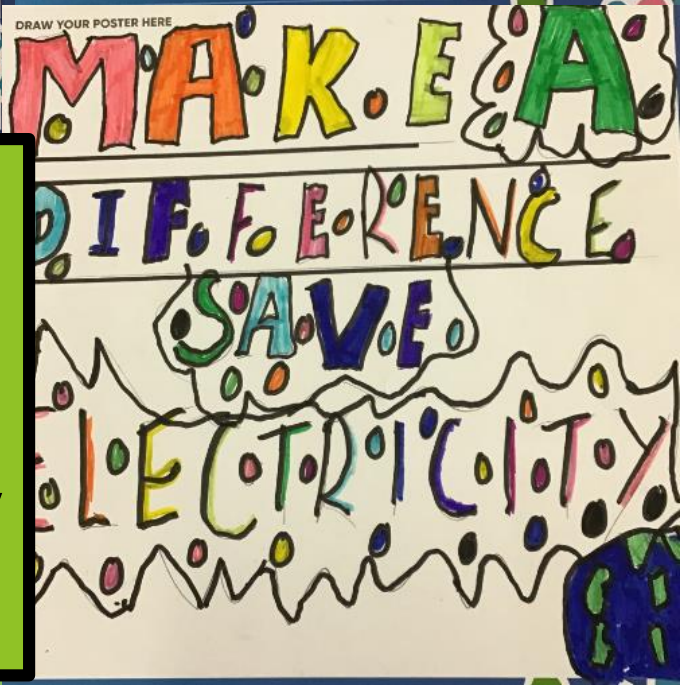

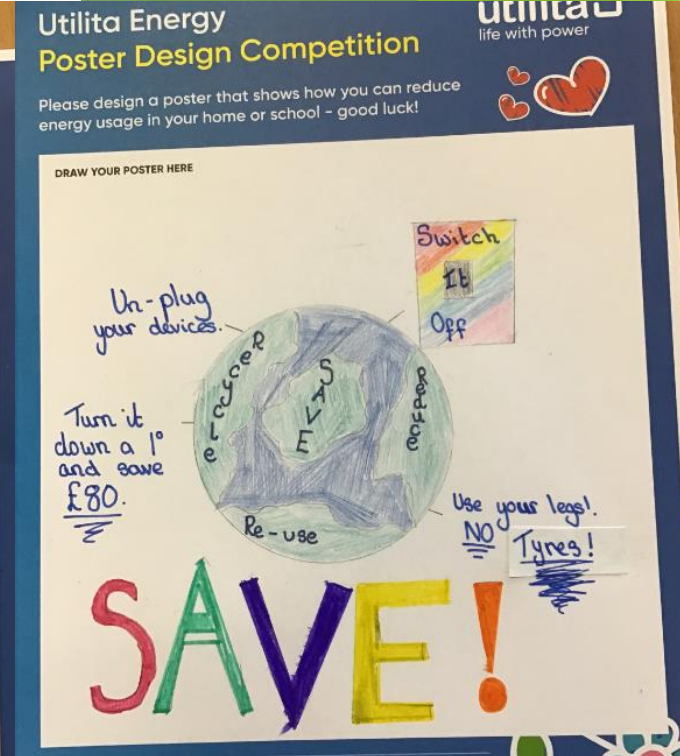

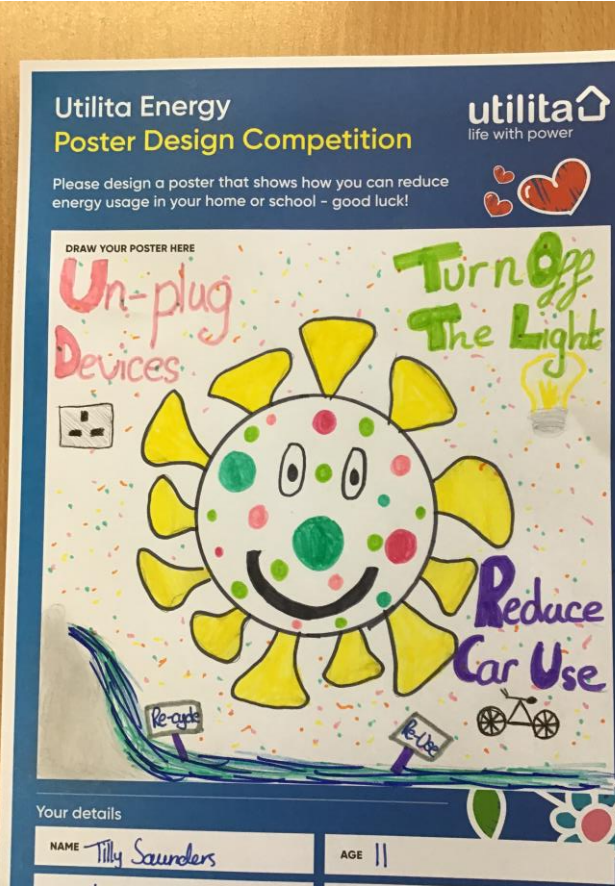

A flourishing community built on faith

ECO SCHOOLS GREEN FLAG RENEWAL

ENERGY

We took part in an energy workshop with Utilita and found out the ways we could save energy at home and school. Our posters are now displayed in their new energy shop and community hub in DERBY

WASTE & RECYCLING

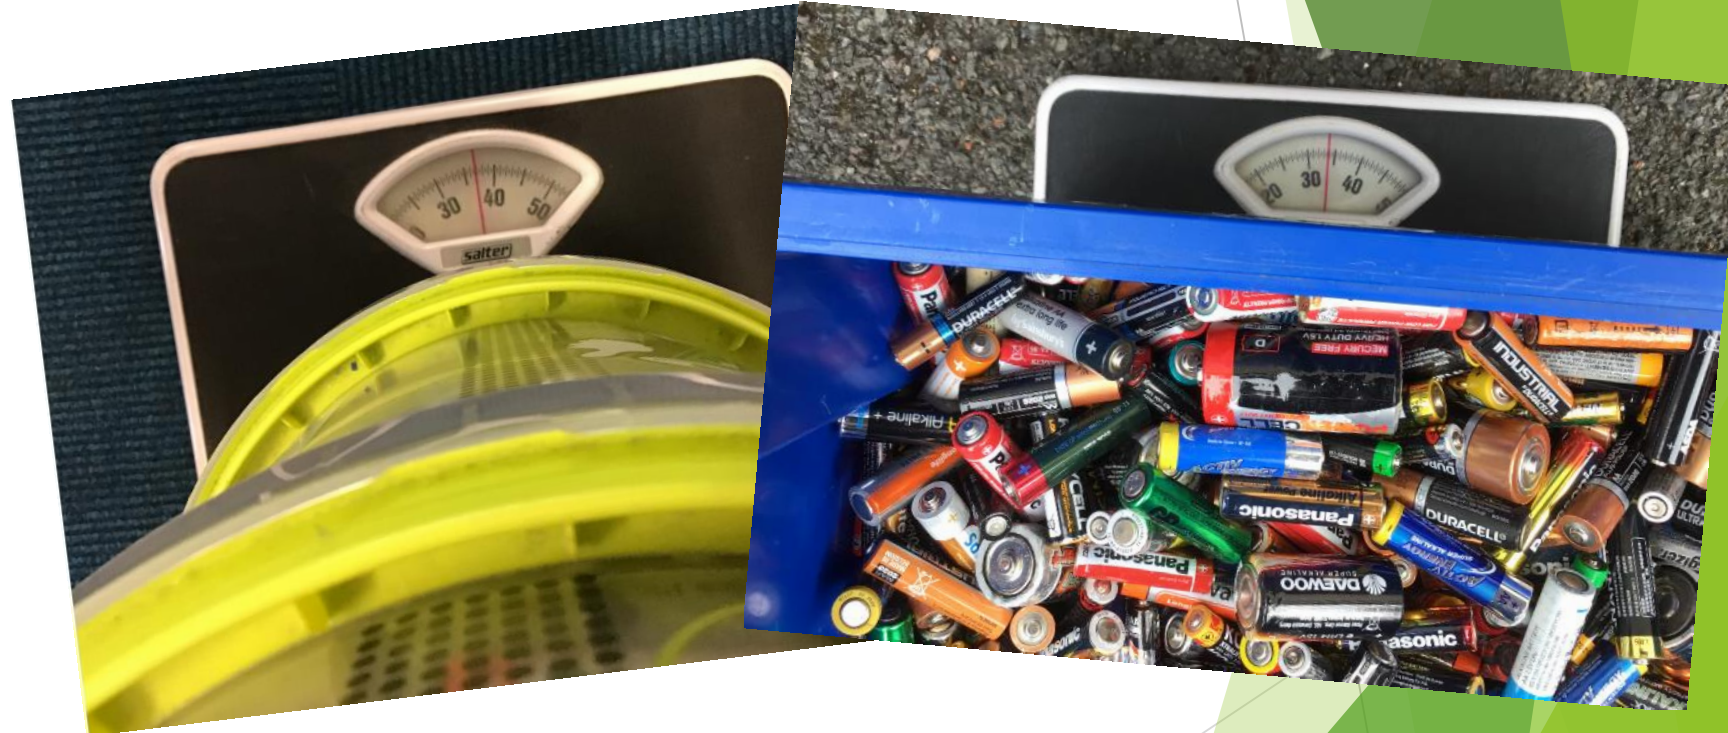

After a whole school day workshop run by DCC on waste and recycling, the junior pupils made book hedgehogs to sell at the Carol Concert to raise money to buy plants and seeds for the school planting beds. The Eco Council raised £42

RECYCLING

In 2019/20 we collected over 71kg of batteries (3153 batteries) for recycling

ECO-COUNCIL ORGANISED,
COLLECTED and COUNTED
2987 batteries in 2018/9

WATER

WHAT HAVE YOU DONE?

I've used wonderful water wisely by:

- Turning the tap off when brushing my teeth
- Having a 4 minute shower instead of a bath
- Re-using my towel for another shower

I've helped to look after our sewers by:

- Only flushing pee, paper and poo down the loo
- Telling my Parents not to pour fats oils and greases down the sink
- Telling my Parents not to flush wipes down the toilet

I keep my self hydrated and drink 8 cups of water a day so that I can:

- Feel healthy and great
- Concentrate and work hard at school
- Do the best I can in PE and all my favourite sports

A massive thank you from us all for looking after your wonderful water

We'd really like to hear about all the amazing ways that you look after water, so when you've shared what you learnt at home please return this card to your teacher.

WONDERFUL ON TAP

SEVERN TRENT

PROMISE POSTCARD

We should try to have a four minute shower and save about 9 litres of water when washing.

Write down what you've learnt about wonderful water or draw a picture so you can tell your friends and family.

Don't forget to order your free shower timer and other water saving goodies from stwater.co.uk/savewater

WONDERFUL ON TAP SEVERN TRENT

COMMITMENT CERTIFICATE

This certificate is awarded to Breadsall Primary school

For making a promise to

TURN THE TAP OFF WHEN WE BRUSH OUR TEETH!

Following our Journey of Water Assembly

on: Tuesday 20 January

Name: K. FORSTER Signature: K. Forster

Signed on behalf of 121 children/adults Education Officer: Leanne Town

PROMISE POSTCARD

I have learnt that:

- You only need 4 minutes to have a shower.
- There're three pipe just to get water into your house.
- We only drink 1% of the world's water

Write down what you've learnt about wonderful water or draw a picture so you can tell your friends and family.

Don't forget to order your free shower timer and other water saving goodies from stwater.co.uk/savewater

BIODIVERSITY

The Eco-Committee make their own bird feeders as well as filling up our bird seed feeders everyday.

BIRD FEEDER ROTA

24.2.20	Millie Amy Scarlet
2.3.20	Gracie Lucas
9.3.20	Poppy Olly
16.3.20	Isabel Julia Tori
23.3.20	Mason Mia

GLOBAL CITIZENSHIP

The Eco-Schools Council organised a Fairtrade coffee morning to be held in partnership with our local church in March.

Unfortunately it was cancelled due to Covid 19.

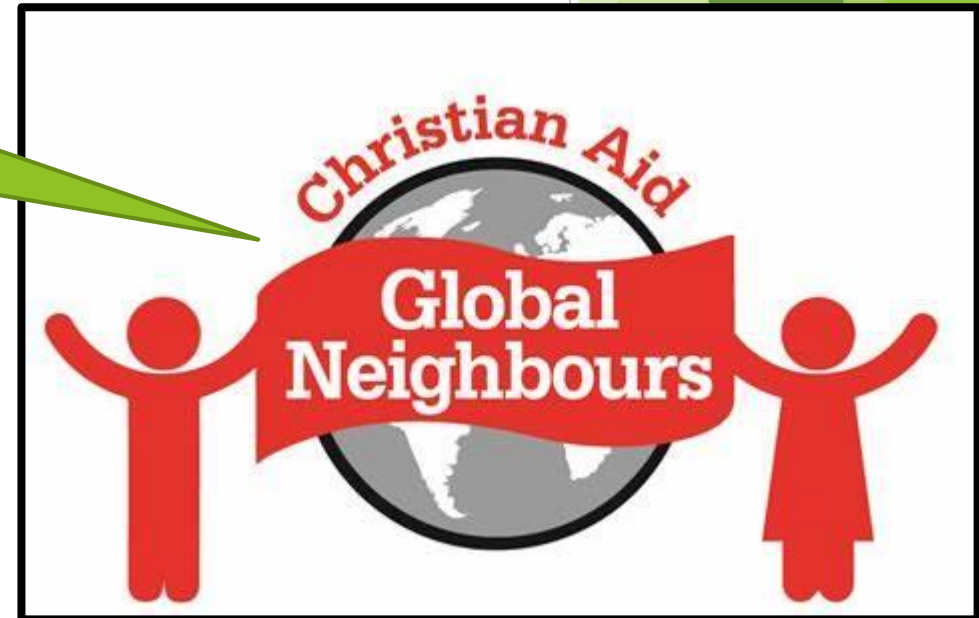

The whole school collected 115 bags of food and took them to church to be blessed before donating them to the Padley Centre and Derby City Mission to help homeless people in our city.

The whole school, led by Mrs Forster is working towards the Bronze Global Neighbours award.

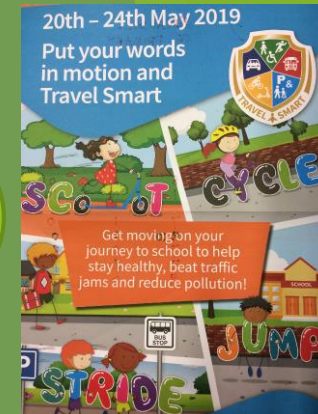

KS2 took part in a FAIRTRADE Harvest service - we got to make and eat fruit salad while learning about growers around the world

TRANSPORT

Class 4 (Year 5 & 6) have been collecting data over time and each year they analyse how the data has changed from the previous year. This helps us to understand how children get to school and Mrs Crick has used this to help develop the school TRAVEL PLAN. We are also a BRONZE MODESTARS school.

Mode of Transport	% in Class 4 2016 Travelsmart survey (May)	% in Class 4 2017 Travelsmart survey (May)	% increase or % reduction from 2016-17	% in Class 4 2018 Travelsmart Survey (May)	% increase or % reduction from 2017-18
Car	35%	21%	14% reduction	21%	No change
Carshare	8%	7%	1% reduction	4%	3% reduction
Walk	29%	26%	3% reduction	31%	5% increase
Park & Stride	26%	37%	11% increase	38%	1% increase
Bus	0%	0%	No change	0%	No change
Bike	1%	9%	8% increase	6%	3% reduction
Scooter	0	0	No change	0	No change
Run	4%	0	4% reduction	0	No change

The whole school take part in two travel smart surveys each year - the Eco-Council collect the data from each class and record it on the official DCC forms.

Mode of Transport	% in Class 4 2019 Travelsmart survey (May)	% increase or % reduction from 2018-19	% in Class 4 2020 Travelsmart survey (May)	% increase or % reduction from 2019-20	% in Class 4 2021 Travelsmart survey (May)
Car	20%	1% reduction	SCHOOL CLOSED TO MOST PUPILS DUE TO COVID 19. Only 2 pupils from class 4 in school: 1 walk 1 car	Not applicable	
Carshare	6%	4% increase			
Walk	30%	1% decrease			
Park & Stride	32%	6% decrease			
Bus (minibus)	6%	6% increase			
Bike	6%	No change			
Scooter	0	No change			
Run	0	No change			

Class 2 at BREADSALL CE PRIMARY school are putting their words in motion!

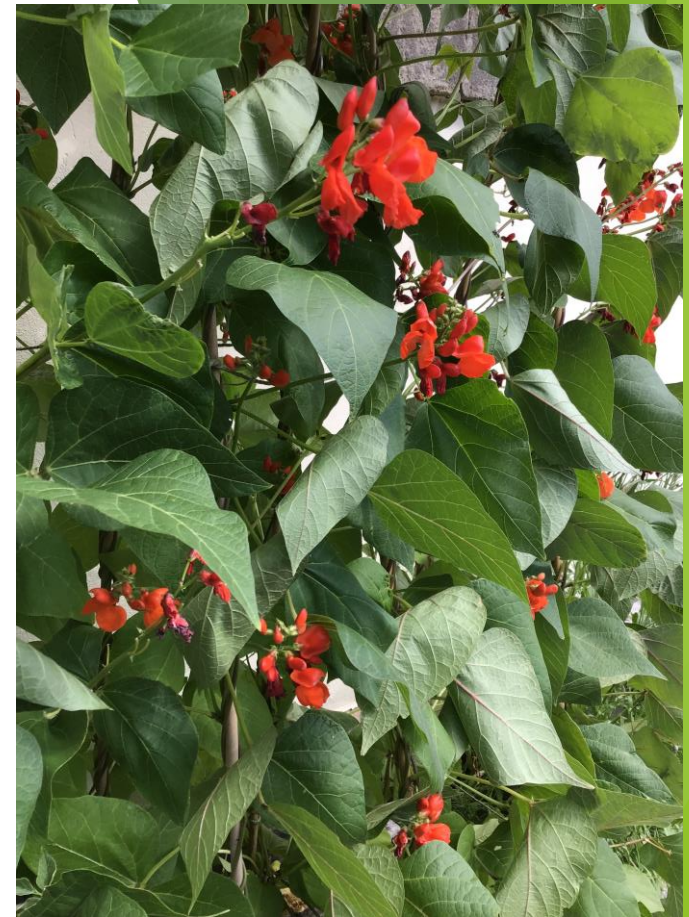

1) Count the number of pupils who usually* walk, cycle, scooter, travel on the bus, park & stride, car share and travel to school by car. (*If pupils travel by more than one mode, count the way that is used the most often)
 2) Ask pupils if they could choose how would they like to travel to school.
 3) During Travel Smart week - record daily how children travel to school to see if you can reduce car use.

Enter this information on MODESTARS

	Walk	Cycle	Scoot	Bus	Park & Stride	Car Share	Car	Total
1) Usual travel mode	8	0	0	1	10	0	10	28
2) Preferred travel mode	1	0	10	1	9	4	2	28
3) Travel Smart Week								
Monday	7	1	0	1	9	0	8	28
Tuesday	9	10	1	0	13	0	4	28
Wednesday	7	0	2	1	11	0	7	28
Thursday	7	2	1	0	12	1	4	28
Friday	9	0	2	1	13	0	3	28
Total	41	13	5	3	55	1	26	
Average over the week	8.2	2.6	1	0.6	11	0.2	5.2	

Is the average mode of travel different to the usual - does it match the preferred mode of travel?
 Did car use go down?
 What other Travel Smart journeys could you make?

HEALTHY LIVING

HEALTHY LIVING

Our teacher, Mrs Forster did a course on Mindfulness and then helped the Eco-School council run a mindfulness colouring club at lunchtime as well as running a whole school mindfulness programme.

We have 8 pupils in school who have trained as Anti-Stigma Ambassadors and they organise and run activities to promote a positive attitude towards mental health and being happy in school.

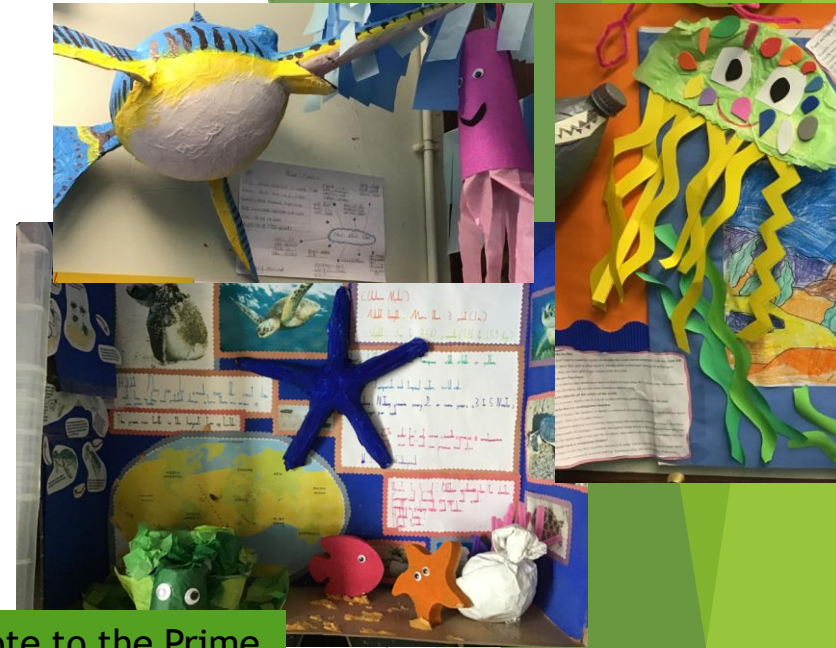

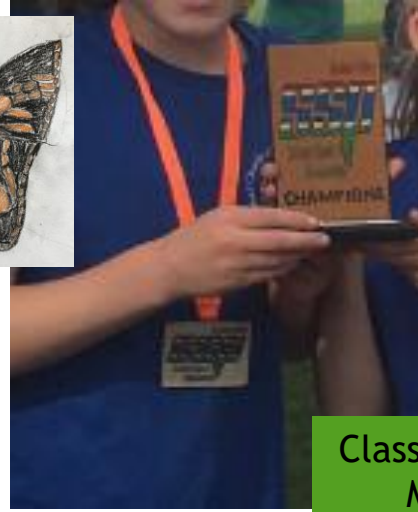

HEALTHY LIVING

The Eco School Council led a Collective Worship about the dangers of smoking for KS2 pupils and then designed posters that were made into signs by DCC and hung outside the school gates to keep us all healthy!

ENVIRONMENTAL CURRICULUM

Class 3 wrote to the Prime Minister about the destruction of rainforests and got a reply
